APPENDIX

This infobase is a sub-infobase of the infobase titled:

[ILLUSTRATED HISTORY OF OUR FAMILY](#)

(3)

It is also the master infobase about my great great grandmother (my mother's mother's grandmother), **Anna (Zimmer) Simmer [RN1070]**.

There are also separate sub-infobases of this master infobase about my great grand mother, titled:

ANNA (SIMMER) KREER

DESCENDANTS OF JOSEPH and ANNA KREER

FOREWORD

This infobase and its linked sub-infobases were initially prepared in 1995. The "Revision date" on the "information" screen under "File", above, indicates when additions, revisions, corrections etc. were last made.

INTRODUCTION

To date, the only information I found about **Anna (Zimmer) Simmer [RN1237]** is that reflected on her daughter's **[Anna (Simmer) Kreer's [RN1070] [death certificate](#)** and on the [1880 and 1900 U. S. Census pages](#) for her daughter.

BIRTH

Anna (Zimmer) Simmer [RN1237] was born in **Prussia, Germany**, according to her daughter's [death certificate](#) and on the [1880 and 1900 U. S. Census pages](#) for her daughter.

MARRIAGE

Anna (Zimmer) Simmer [RN1237] was married to **Peter Simmer [RN1236]**. To date, the only source for this information is from their daughter's [death certificate](#).

CHILDREN

Although it is likely **Anna (Zimmer) Simmer [RN1237]** had [more than one child\(6\)](#), to date the only one I know about is **Anna (Simmer) Kreer [RN1070]**. Information about her can be found in the separate infobase titled:

ANNA (SIMMER) KREER

Anna and Joseph Kreer ca 1873
Franklin, Eva and Henry

EMMIGRATION

Although I have found no information to date about **Anna (Zimmer) Simmer's** [RN1237] emmigration from Germany to the United States, it is assumed that she came in 1850 (the year shown as the date of emmigration of her daughter, who was six years old at the time, on her daughter's [1880 and 1900 U. S. Census pages](#)).

Of course, it is also possible her daughter was brought to this country by another relative and that **Anna (Zimmer) Simmer** [RN1237] never emmigrated.

However, see the additional information contained in the [APPENDIX](#) to the separate infobase titled [Peter Simmer](#).

DESCENDANTS

The descendants of **Anna (Zimmer) Simmer [RN1237]** and **Peter Simmer [RN1236]** are shown in a separate infobase titled:

DESCENDANTS OF PETER and ANNA (ZIMMER) SIMMER

APPENDIX

This Appendix contains links to information which may be related to **Anna (Zimmer) Simmer [RN1237]** and other descendants she may have had. I have not researched this information other to simply find it and record it here. Additional research would be needed to determine if this information relates to **Anna (Zimmer) Simmer [RN1237]** and his descendants or not.

Two photographs among those passed down in the family which I received from my mother, **Ruth Elizabeth Winifred (Roth Seibel) Dow [RN 8]**, are located in other infobases: [one photo](#), in the separate infobase titled [Family Reunion and Family Group Pictures](#), presumably taken in Manitowoc, Wisconsin, and [another photo](#) from the separate infobase titled [William Wyatt Wayne](#), obviously taken at the same time and place which has "Manitowoc Rapids Wisconsin, August 2, 1925" marked on its back side, are possible indications that there were relatives living in the area of Manitowoc Rapids or Manitowoc, Wisconsin in 1925.

There is no one left in my family to ask, but I have always wondered why my family members drove and road the train clear across the country to go to a reunion in Manitowoc when the only relatives known to me to live in the Midwest lived in Chicago at the time. Two possible answers were: they went there to meet at some facility that one of the family members thought would be a good gathering place, or they went there because that is where some of their relatives (unknown to me) lived at the time.

Up until the time I found this linked information, the only family connection Manitowoc WI that I or other living relatives knew about was the fact that **Eva (Kreer) Hofmann's [RN1103]** son, **Henry William Hofmann's [RN1124]** wife Erna grew up there and they were married there (see

the [Appendix](#) in the separate infobase titled [Anna \(Simmer\) Kreer](#). The information linked here leads me to believe now that this reunion was held in Manitowoc WI because some or many of the descendants of the people shown below still lived in that area in 1925 when the reunion was held.

For this information about **possible Zimmer ancestors, siblings and other descendants**, see the [Appendix](#) in the separate infobase titled [Peter Simmer](#).
